

A Message from our Noble Grand...

Blessings to you all, dear Brothers, in this season of Thanksgiving. It has been my honor to serve you this year and, looking back, I can see many magical moments of such deep sharing, humor and fun. THANK YOU!! I also see moments that I would do differently if had I the opportunity. To anyone I may have caused suffering: I offer my sincere apology for my "unskillfulness". I am so grateful for you all and especially wish to thank Jeffery Zbornik for your great hugs, wise council and calm support. Thank you Bill Gincig for all you have done with the fundraisers for the Library Fair, Halloween Dance and the Wood Raffle. We all thank you Monique and Bill for your efforts in having our Thanksgiving Feast for our community; we know how much it means to you to invite everyone to come together and share good food and celebrate our lives. Thank you Bill Wulff for your work on our annual report and to you and Molly and other staff for these great newsletters. (This one is later than usual and due to my timing). Thanks to you Patricia for all the creativity and sheer effort this last year as the primary tenant; blessings for your next adventure. Many, many personal thanks to the Past Grands of our Lodge, especially Fred Enge, George Post and John Sumrall, for their guidance, support and reality testing! In the first newsletter this year my message ended with: "Join us, bring your energy, spirit and what really moves you to your Brotherhood". Most of all, dear Brothers, thank you for doing just that so gracefully and profoundly. You are such a blessing to my life!

In Friendship, Truth and Love. Namaste, Che
