- June 13** INNER WORKS WITH JAY KIMBALL: "I am sitting in a room." and DISCUSS IDEAS for Summer Solstice Parade. The inner works is a fascinating group experience recreating a famous performance music piece from the 60s, that is simple, beautiful, trance-like and meditative, and employs no musical instruments other than the human voice and a room.

ODDESSES/REBEKAHS: When the Oddesses were recently initiated in Oak Harbor, it was the first new lodge in Washington in thirty years! Rebekahs came from all around the state for this historic event. And another group of women were initiated soon after that, too!

KITCHEN STORAGE: Thanks to Tom Meadows and Bill Thompson for acquiring and organizing silverware and kitchen supplies. We gave up our storage locker in the kitchen; look for our kitchen supplies in the storage under the stairs and silverware under the snack table.

JOE AND ELAINE GOODRICH BENEFIT: Thanks to the brothers and the community for the Joe and Elaine Goodrich Benefit that brought in \$12,000!
