MT. CONSTITUTION LODGE

SPRING 2013

From the Noble Grand

Dear Brothers,

My oh my, hasn't it been a busy spring? Brother John Sumrall has caught his first fishes and brother John Olsen will have trapped his first shrimp by the time you receive this.

I'm finding it hard to believe that the first quarter has passed and we are making dates for our 2nd. They all look like highlights to me.

It shouldn't need to be said but I will, please join us every chance you get. When you're not here we don't get to hear what is dear to your heart.

*In FLT,
Brother Dave*

NEWS FROM THE WOODYARD

Once again its time to dust off the chainsaws and splitters. Thanks to brother Fred Klein, our wood yard is full of logs and just waiting for the first crack team of OddLoggers to show up. Sumrall will be calling you.

See you soon,

Woody

Truth disclosure....

This newsletter is as close as we can get to ordering the future. It should be viewed as a guide, with the understanding that planned events are often altered by reality. The surest way to know what's happening is still to attend lodge meetings.

I've completed the ordering of all of the newsletters I can find since 1988 into a *New History of Mt. Constitution Lodge #88*. It's in a large blue binder in the lodge room. It's really quite an interesting look into our past 25 years. Check it out.

Also, if you have old newsletters that may not be in it please get them to me so I can include them.

Thanks,
George
