Odd to the end.....

Another Successful Fools' Parade

Color and Music was the theme of this year's April Fools Day Parade. Jim McKeon led the procession in middle-eastern garb while the other 14 brothers were decked in hundreds of balloons. The weather was overcast, but the Saturday crowds were large and the Odds were well received. A great time was had by all.

It's been a busy spring at the Lodge with an average attendance at the last 8 meetings of 12 brothers. We had a super Innerworks on memory headed by Fred Enge. I can't remember exactly what it was about, but I know all who attended enjoyed it at the time.

Daniel McCarty conducted a sweet Innerworks that honored each attendee with centered singing and praise. Daniel decorated the hall as only he could and the evening was one of those rare events, never to be repeated, that make the Odds so special.

John Clancy has decided to throw in the towel as Lodge Manager. Any brother interested in taking over from John should contact him at 5075. John has performed his duties tirelessly for over 8 years; we will sorely miss his energy in that position.

Fred Enge needs our help with the Mentor Garden Tour. At each garden he hopes several brothers will pull an hour or two shift directing traffic. As usual, the gardens are scattered all over the island so it shouldn't be too far for anyone to travel. The Mentor Garden Tour is Saturday June 17th from 11AM to 4PM.
